FOREWORD

In 1878 Kendallville High School first opened its doors. For nearly a century, students have gone from these halls to face the future. Some of us will leave this year to live our lives in a changing world. Next year a new school will provide a better education for those who follow.

It is the purpose of this book to preserve 1966—the last year of Kendallville High School.

A penny for your thoughts, John.

What are we making?

What?! Another blackout?

The teacher must be in the room.

Everybody freeze!

So this is what daughters are for?

Dr. Jekyll and Mr. Hyde.

VARIETY ADDS SPICE

Me?

Pep rally dedicated to the Kendallville Comets.

Thank goodness this is the last one!

These are our future teachers?

TO OUR SCHOOL LIFE

At least they're dressed to do their homework.

And the band played on!

How can I tell him he is stepping on my foot?

Enthusiastic fans at a home football game.

RISES AT SECTIONAL TIME

FACULTY

ADMINISTRATION

ROYAL W. TRITCH

HERBERT HOFFMAN

The job of our senior high principal involves administering and determining school policies. Mr. Tritch works long and hard to carry out these policies.

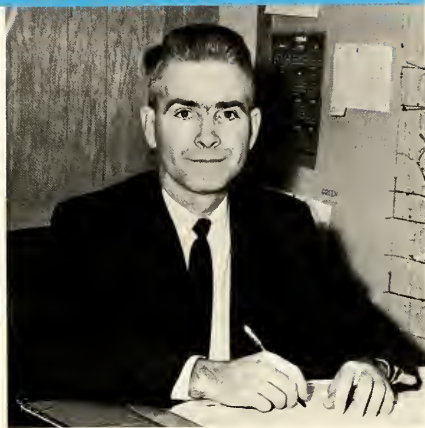

As junior high principal, Mr. Hoffman administers the seventh, eighth, and ninth grades—assisting and guiding the students and faculty there.

As superintendent of East Noble Schools, Mr. Redman fills vacancies and sees that the school system operates smoothly. He works constantly in our system looking for new ideas and changes with the student as the central guide.

Working as assistant to the superintendent, Mr. Hamilton helps our school system function efficiently.

EDGAR B. REDMAN

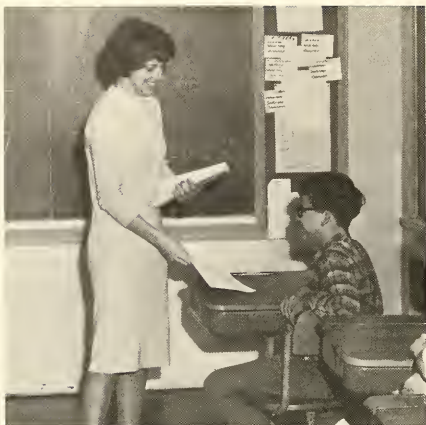

RICHARD HAMILTON

SCHOOL BOARD

Mr. Harold Frick, Mr. David Baker, Mr. Charles Longyear, Mr. Cecil Smith, Mrs. Louis Lash, Mr. Donald Parks, and Mr. Robert Marshall.

LINDA McMINN: Ah! The sheer joy of giving literature tests!

BETH SHOEMAKER: Would you believe this is the fifth time I've seen this speech movie?

KAY LATIER: Their innocent smiles make it all worthwhile.

TEENA FLOOK: Making literature interesting isn't easy.

HUGH McMINN: The best way to teach speech is to demonstrate it.

ENGLISH DEPARTMENT

ANN DIGGINS: And they told me freshman English was easy to teach!

BEULAH PECK: The rewards of teaching eighth grade grammar have *got* to make this all worthwhile!

JANICE CAMP: I hope I spelled that right; even if this is a literature class.

LARRY NEWTON: May I help you with literature?

MARY JANE HOFFMAN: Keeping the students' minds on American literature isn't always easy.

SOCIAL STUDIES

CHRIS STAVRETI: Why we should give our hard-earned money to the government is discussed in economics class.

JOAN ENGLE: 8th graders are "intrigued" by a history lecture on Viet Nam.

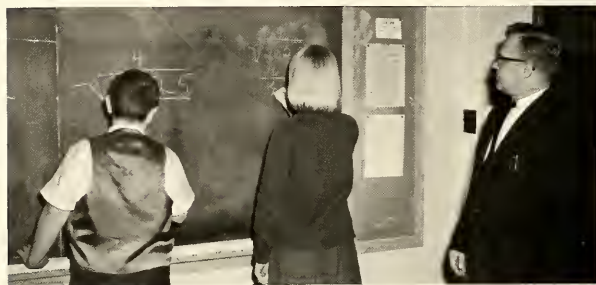

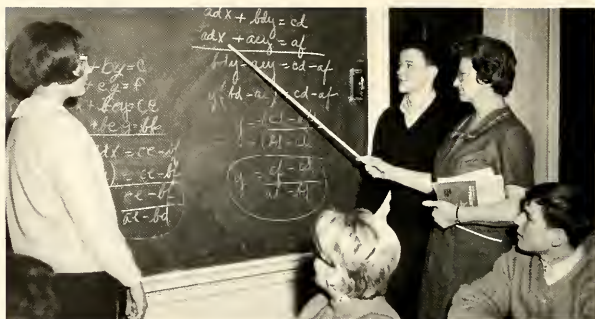

DALE READE: Christopher Columbus is brought to life in U.S. history class.

SANDRA FISCHER: Around the world in fifty-five minutes in world history class.

MATHEMATICS

WILMA LAUGHLIN: No, that's not French; it's algebra.

BILL ABBS: Get that arithmetic right; someone's watching!

EDWARD BRADLEY: Flip the lights what's coming up?

WILLIAM MOREE: I wouldn't know the answer to that problem, Mr. Moree.

GUIDANCE

KEITH STOUDER: According to my past experiences, you won't get by on just one subject.

JACQUELINE CARL: I'm afraid you girls would have a hard time getting into West Point.

BEN EARLEY: Hmm, it doesn't say anything about where the guidance counselors go for guidance.

MATHEMATICS

GERALD ZIMMERMAN: If you want to learn geometry, you've got to start at the beginning . . . $2+2=4$. . .

GENE RHODES: Ugh! This biology sure is hard on a person's stomach!

SCIENCE

JERRY DANIELS: Daniels in the physics den.

CHARLES GORDON BLOOM: Starlight, starbright, what star will it be today?

WILLIAM SAVAGE: Around and around they go . . .

SCIENCE

JACK YOUNG: 5, 4, 3, 2, 1 ... another successful (?) chemistry experiment.

INDUSTRIAL ARTS

MERLAND BEYLER: What's this—tic tac toe in mechanical drawing?

RAYMOND CZUPRYN: Well, it started out as a surfboard.

FRANK WHITACRE: That's a beautiful popover, fellas, but this is a shop class!

BUSINESS

MAE STEPHENS: No, no; one and one are still two, even in bookkeeping!

KAHRL METZ: And this, class, is a typewriter.

CLINTON FRYMIER: But, you're supposed to hit only one key at a time!

BASCOM SLEMP: Study time in general business can be fun?

LITERATURE AND FRENCH

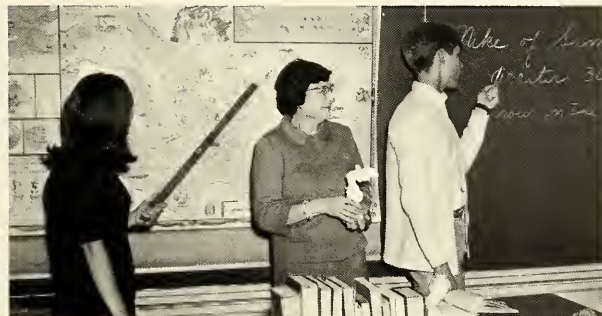

MARY BLACK: Class, I think it might work better if your English Literature books were right-side up.

DOROTHY KOONS: That's called the feed dog in this home economics class.

HOME ECONOMICS

HELEN VARDAMAN: All right! Which one of you homemakers tied the Saran wrap in knots?

LATIN

THELMA EMINGER: Latin is "okay" if you can read it.

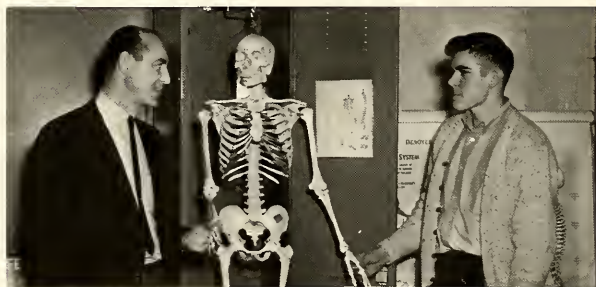

DARRELL CASEY: Maybe if I hang very still, he won't notice me.

HEALTH AND PHYSICAL EDUCATION

STELLA MALLON: It's too bad they don't have a nurse to take care of the nurse.

EUGENE RACHT: Health question for today: "Are you a boy or are you a girl?"

BETTIE SMITH: Upsie daisie!

LIBRARIAN

VALMA GRACE GILLILAND: The book refers me to the encyclopedia, and the encyclopedia refers me back to the book!

ART

JOSEPHINE KIMMELL: I'm afraid I'll have to censor that picture.

INSTRUMENTAL MUSIC

ERSEL BURGESS: Maybe it would help if you'd put the reed on.

VOCAL MUSIC

MARLENE EVERSON: Hark! Didn't I hear a sour note?

SECRETARIES: Mrs. Faye Wedding, Mrs. Frances Moran, Mrs. Neva Palmer, Mrs. Adele Ruderman.

SENIOR HISTORY

As Freshmen we realized we would graduate in the great year of 1966; therefore our class party was entirely decorated with the number "6" everywhere.

As we approached our Sophomore year, we were confronted with the task of choosing our class jacket. Our final decision was myrtle green. Much to our surprise we were tagged as "Jolly Green Giants" rather than turtles.

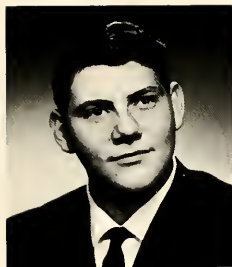

Along with our Junior year came another task

—that of choosing our class rings. After much debate the style "Telstar" was chosen. Soon the excitement of our first Junior-Senior Prom had us all looking forward to visiting the wonderful "Land of Oz."

At last our Senior year is here. We realize we will be the last class to graduate from Kendallville High School. Even when K. H. S. has been forgotten by most, it will live on in the hearts and minds of the class of '66.

Seniors display '66 Cords.

AWARDS FOR SCHOLASTIC ACHIEVEMENT

Each year on the last day of school, awards are presented to students for scholastic achievement.

A blue ribbon is awarded to those students who have maintained two semesters of "A" work in any solid subject. A red ribbon constitutes one semester of "A" work. Students who have maintained at least one semester of "A" work receive scholastic honor jackets.

The 1966 valedictorian was Candy LaVigne, and David Desper was salutatorian. Marian Groh was third highest for 1966.

THE JUNIOR-SENIOR SAFARI

The Grand March begins.

Oh to be young again.

The natives are restless.

Officers: Jon Hossinger, President; Jennifer Groh, Secretary; Teresa Barker, Treasurer; Mrs. Kimmell, Sponsor; Ron Frick, Vice-president.

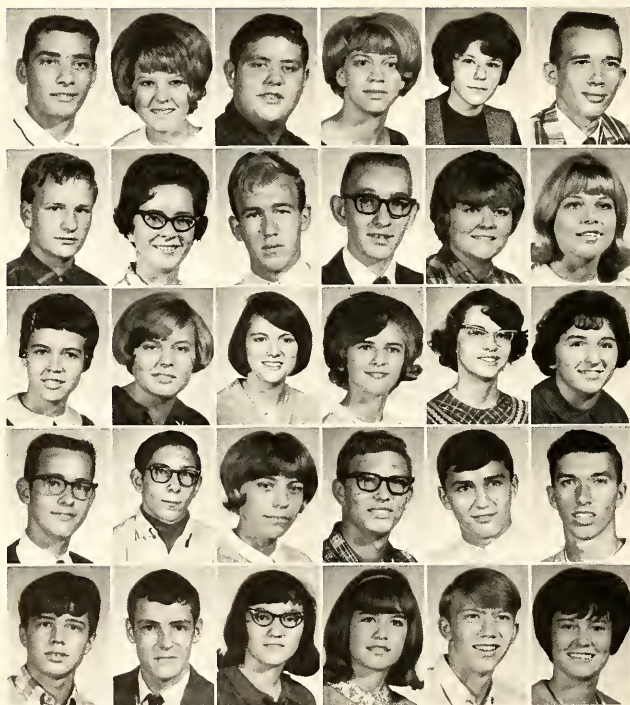

JUNIOR CLASS HISTORY

Early in the year, the juniors began selling magazines. When they had finished, they had topped all previous records by selling \$7818 worth of subscriptions.

The first East Noble class rings were purchased by the class this year.

Together with the class of 1967 of Avilla, two class parties were held. The first combined party was held October 30 in the Kendallville cafeteria. The Avilla group invited the juniors to their school for a party on March 11. These two classes will make up the senior class at East Noble High School next year.

Under the guidance of Mrs. Kimmell and the junior class officers, the Class of '67 made plans for the Junior-Senior Banquet which was held on May 6.

FRESHMEN CLASS HISTORY

This year 158 freshmen were officially entered into our high school, the first of the many steps toward that ultimate goal of graduation.

Under the direction of their class sponsors, Mrs. Diggins and Mr. Racht, the freshmen were guided through the 1965-66 school year. On March 11 they enjoyed the freshmen class party.

The freshmen would like to give special recognition to Don Peterson for his outstanding achievements in national swimming competition.

The freshmen are looking forward to an even greater challenge next year as they enter East Noble High School.

8th GRADE

HISTORY

The official enrollment of the eighth grade this year is 161 pupils.

Under the leadership of their class officers: John Henney, President; Gary Spidel, Vice-President; Terry Schmidt, Secretary; and Steve Harman, Treasurer, the eighth grade has been very busy preparing themselves for their first year in the high school next year. The students are looking forward to this step with much anticipation.

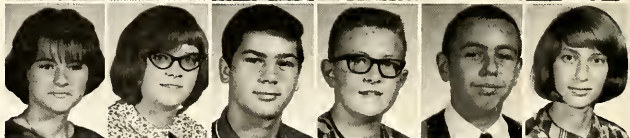

Although their activities were limited, their year was made an interesting one by their class sponsors, Mrs. Engle and Miss Flook. The class enjoyed working on their class party, which was held in the spring.

SEVENTH GRADE HISTORY

This year the seventh grade experienced a new way of life as it was their first year in junior high, the first stepping stone toward high school. This new way of life has presented a more complex schedule that has demanded many hours of hard study. There have also been many exciting events which will be long remembered. One of these activities was their first class party which was held at the Silver Moon Skating Rink.

BOYS' STATE

The Hoosier Boys' State was firing and ready to go during the week of June 12-19. These boys were sent to the I.U. campus with the goal to run a government in a similar pattern to our free government. Both the Nationalists Party and the Federalists Party were working and campaigning to get the votes to reach those offices which were so important to everyone.

GIRLS' STATE

This last summer during the week of June 20-28, 927 girls attended Hoosier Girls' State to become better educated in our national government. Everyone was divided into two parties, the Nationalists and Federalists. This was carried on throughout the week. Along with the parties there was campaigning, working together, and a time for fun.

FHA

Future Homemakers of America, an organization for young women interested in homemaking, is open to any girl in high school who has had one year of home economics.

Every year the state organization sets up goals each chapter is to meet in order to be an honor chapter. This year the two objectives concerned (1) Morals and Manners Matter and (2) Good Family Relations. The chapter met these requirements by having Daddy-Date Nite, a party for younger brothers and sisters, and a Mother and Daughter Banquet, at which the speaker discussed these two objectives. Individual FHA degrees were also conferred at this time.

FHA members and their fathers enjoy "Daddy-Date Night", one of the highlights of the year.

Future Teachers of America is an organization for students in the sophomore, junior, and senior years of high school who are interested in teaching as a career. Kendallville's chapter of FTA is named in honor of John Howerton, a former KHS science and mathematics teacher.

This year the chapter has had many worth-while programs. They visited the new LaOtto Elementary School, gave gifts at Christmas time to the Fort Wayne State School, and held a Teachers' Recognition Day at the end of the first semester.

FORENSICS

The members of Forensics learned the qualities of a good speaker as they participated in various contests in the surrounding area. Twenty-one members, by earning twenty-five points, were taken into the National Forensics League in which Kendallville is a local chapter; and seven members received their second degree pins by earning seventy-five points.

Most of the members participated in the state speech contest on the local level, and Marian Groh reached the state level in radio announcing.

JCL: INSTILLED AN INTEREST

The members of the Junior Classical League studied Roman culture by attending various meetings throughout the year.

An initiation bringing in the new members and a presentation of the Muses composed the November meeting.

Traditional with the Christmas season, J.C.L. members celebrated the Roman holiday, the Saturnalia, by contributing money to CARE.

The Toledo Museum was chosen for the annual J.C.L. trip this year. Those wishing to go went by bus Easter vacation.

The J.C.L. members also had their annual banquet with the slave auction and games. Those attending this event dressed in togas, the dress of the Roman citizen, if they were sophomores; and tunics, the dress of the Roman slave, if they were freshmen. At the end of the banquet the slaves were freed.

As can be seen, the Junior Classical League has enjoyed a very fruitful year.

Y-TEENS: LEARNING TO KNOW OURSELVES AND OTHERS

Y-TEENS

Among the things a girl learns from Y-Teens are to be thoughtful, honest, and to have good, clean fun. She learns of other people and their problems and how to lend a helping hand.

We've had a good time in Y-Teens this year. Remember Boys' Night In? We worked hard preparing those skits. How could we ever forget the Y-Teen Dance? All those kleenexes! Remember the Mother-Daughter Dessert and the wonderful speaker from New Zealand? Chicago anyone? The juniors and seniors will never forget that wild trip we took and all the money we spent on those irresistible shoes and purses. And of course we'll never fail to remember the shining faces of the children at the Christmas party. Who can ever forget Sanguan Chantalay, the International Farm Youth Exchange Student from Thailand?

Yes, Y-Teens will never forget the fun we've had this year, and all the experiences we've gained.

WIG & PAINT: EXPLORE THE WORLD OF DRAMATICS

Getting ready for the big show.

This year was very fruitful for the Wig and Paint Society of Kendallville High School. For the first time in several years, a musical was presented—"The Music Man." "A Connecticut Yankee in King Arthur's Court" was another play that was presented earlier in the year.

To join the society, one must successfully pass a tryout before being accepted as an apprentice. His apprenticeship lasts for one semester before he may become a full member. If he becomes a member, he then tries to earn points to become a Thespians by acting in a play, working backstage, working on a committee, or by selling tickets for the performances.

Because of hard work and co-operation, this group can look back on a very successful year.

"Now, let's try that scene again."

Thespians Troupe 1106 of Kendallville High School is a member of the National Thespians Society. The troupe aims to create interest in dramatic activities.

To become a Thespians, one must participate in supervised dramatic presentations. After ten Thespians points, based on one point for every ten hours, are acquired, one may join the group. He continually tries to do the best he can and to uphold the motto: "Act well your part, there all the honor lies." Each member is always striving to earn points to receive the honor of "Honor Thespians." To achieve this title, a member must have earned at least sixty points.

The Thespians Board, which helps to plan and supervise the activities of the dramatics clubs, is composed of the officers, who preside at all meetings, and the sponsors.

NATIONAL HONOR SOCIETY

New National Honor Society members were initiated on February 10, 1966. Fifteen per cent of the senior class and ten per cent of the junior class were eligible. Members must maintain a ninety-two per cent average and uphold the four ideals of leadership, scholarship, character, and service.

It was the privilege of the society, along with the Garrett society, to attend a meeting of the Avilla chapter. Later in the year, Kendallville invited the Avilla and Garrett chapters here for a program.

KAY AITCH ESS

The '66 yearbook staff has worked hard to add the finishing touches to the last yearbook of Kendallville High School. We hope it will bring you many happy memories of all the year's highlights.

In September the sales of the yearbook began, and the theme and colors for the cover were decided. Much time was spent in getting ads, taking student and activity pictures, setting up page dummies, and making last minute changes.

The staff would especially like to thank the sponsors for their help in presenting the Kay Aitch Ess to you.

One of the duties of the yearbook staff officers is to assist with underclass pictures.

The Spotlight staff also published "Tourney Times" during the sectional tournament for the convenience of all the fans. This edition contained pictures and the line-ups of the teams participating in the Kendallville Sectional and general information concerning previous sectionals.

K-KLUB: ATHLETIC AWARD WINNERS

K-Klub, which is composed of lettermen and numeral winners, has had another successful year in 1965-1966. K-Klub members ran the concession stand at football games, sold candy at basketball games, and sold county directories to earn money for several banquets and a dance.

Major events this year were the Fall Sports Award Banquet, the K-Klub Dance, the Elks Banquet, and the spring All Sports Banquet.

ATHLETIC HONOR JACKET WINNERS: ROW 1—Byron Harrod, David Peachy, Dave Desper, John Wilcox, John Thomas; ROW 2—Mike Taft, Dave Langwell, Dan Radcliffe, Larry Schermerhorn, Larry Sibert.

VARSITY AND JUNIOR VARSITY FOOTBALL

The Kendallville Comets finished a dismal last in the NEIAC conference with an 0—9 record. Although not the possessors of a great record, the Comets did possess courage and fought valiantly to the end.

Larry Sibert was named to the NEIAC second team; and Dick Houser, Lyman Holbrook, and Stan Frazee received honorable mention.

The Junior Varsity team almost reversed the tables as they compiled a 6—1 record. From the season of the Meteors, it looks as though the new East Noble Knights should start out on top.

CROSS COUNTRY: ALL THE WAY TO STATE

The Cross-Country team had a very successful season. The team had a 13—1 regular season record plus winning the Goshen Class A Invitational and NEIC Meet.

By placing 2nd in the Sectional and 3rd in the Regional, the team ran in the state meet. This was the first time a KHS cross-country team had run in the state meet. Competing against the toughest teams the state had to offer, the Comets finished 11th.

With only two of the top eight runners graduating, the team should do well next year.

The boys bring home another trophy!

WRESTLING: A NEW SPORT AT KHS

WRESTLING

This year, for the first time in the history of our school, wrestling was introduced into the sports program of KHS. The 1965-66 season was successful in building a foundation for wrestling, but it will take several years for our wrestling team to develop. The East Noble wrestling team can look forward to a good season next year since all the members of this year's team will return for the 1966-67 season.

GOLF TEAM

Coach Racht's golf team, although hindered by a wet spring, turned in a winning season again this year with 8 wins and 3 defeats. This record extended the Comet's winning streak to four seasons without a loss on the home course. The Comet golfers finished 6th in the conference and look forward to another fine season next year.

DEDICATION:

To Miss Vardaman

To Miss Stephens

In appreciation for all the years of service they have given to Kendallville High School, we dedicate this 1966 yearbook to Helen Vardaman and Mae Stephens.

Miss Vardman has served here 39 years as a botany, biology, and home economics teacher. During this time she has been head sponsor of Y-Teens for 36 years.

Miss Stephens has taught mathematics, book-keeping, consumer economics, and exploratory teaching at Kendallville High School for the past 40 years. She has been a Y-Teen sponsor since coming here and organized the Future Teachers of America club in 1956, which she has sponsored since its inception.

Both of these teachers have contributed greatly to the educational system at Kendallville High School and to the education of each of their students. They will long be remembered as two outstanding teachers of Kendallville High School.

FAREWELL

SENIOR FAREWELL

The last chapter in the history of Kendallville High School is complete. As the book is closed, we, the 1966 graduates and the last graduating class of KHS, will remember the days we have spent here.

Although as freshmen we lacked the knowledge and poise which seemed to be present in the upperclassmen, we gradually acquired that self-confidence through the constant guidance and assistance of our teachers and supervisors, as well as the continuous study on our part.

As sophomores we selected our class jackets—green with white “K” and numerals.

The advent of our junior year marked the final half of our high school career. With two years of experience behind us, our thoughts were turned to the future. Books, term papers, and themes, together

with many hours of study and research, had become a part of our everyday life.

Now, as seniors, we realize the shortness of the years. Our classes, club meetings, proms, and other social activities are only memories of bygone years. Friendships are left behind us as we go our separate ways. Before us is stretched a world of opportunities, but there is a twinge of sadness as we leave the halls of KHS. It is here that we have developed into individual young men and women willing to face new challenges. We know, too, that graduation is not the end but the beginning of a vast, new life for us, the Class of 1966.

With this final page, we close the history book of Kendallville High School forever.
